

What is AA?

Alcoholics Anonymous is a fellowship of people who share their experience strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is the desire to stop drinking. There are no dues or fees for AA membership; we are self supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober

Serenity Prayer

God grant me the Serenity
To Accept the things I cannot Change
Courage to change the things I can
And the Wisdom to know the difference
